Michael Sensei's Fast Facts of The United States of America!

What do the stripes and stars mean?

The stripes are for the original 13 colonies.

The Stars are for all 50 states!

Oh, I see!

Thank you.

The United States Capitol is Washington DC. It is next to Maryland.

English is the most used language.

The United States of America's animal is the Bald Eagle.

Can you find all 50 states?

The United States of America has many Biomes. Circle the correct word!

- A) There are (fish / dog) in the ocean.
